## Description

The following modification replaces the CBD announcement regarding the Small Unit Riverine Craft (SURC), which was dated 29 OCT 01. The Marine Corps Systems Command (MARCORSYSCOM), Infantry Weapons Systems, intends to acquire, through unrestricted competition, up to 100 Small Unit Riverine Craft (SURC) beginning in FY2002. The system will consist of the combat craft, carrying trailer, associated outfit, and specified Government Furnished Equipment. Additional requirements for Test Support, Training, Training Aids, and Contractor Logistics Support (CLS) for the SURC systems at Camp Lejeune, NC will also be included. The resulting ID/IQ contract will consist of one (1) base and four (4) option periods, for a total of five (5) years. Multiple contract awards will not be made. Delivery orders will be issued throughout the duration of the contract up to the maximum quantity. This acquisition is competitive commercial and all responsible sources may submit an offer for consideration. Estimated solicitation issue date is the third week of December 2001 and the estimated closing date is the first week of February 2002. Additional information, including draft documents, pre-solicitation conference information, and the final solicitation will be published on the MARCORSYSCOM web site at:

<http://www.marcorsyscom.usmc.mil/mcscctq/Oppor.htm>. Please monitor this site for regular updates. Interested sources may submit a statement of interest (e.g., prime, subcontractor, etc.) with an appropriate point of contact, which will be posted to the web site to facilitate teaming. Responses should be addressed to: (U. S. Mail address) Commander, Marine Corps Systems Command, ATTN: CTQ (Mr. Jeff Campbell) 2033 Barnett Avenue, Suite 315, Quantico VA. 22134-5010. FEDEX or UPS deliveries should send to: Commander, Mr. Jeff Campbell, CTQ JC, MARCORSYSCOM, 3041A McCawley Ave, Quantico VA 22134-5010. Any questions regarding the submission of materials should be addressed to Mr. Jeff Campbell, 703.784.5822 x234.
